

TOTAL EYECARE

OPEN FOR ALL SERVICES

To All Of Our Valued Patients,

We hope that you and your families are safe and healthy during these uncertain times. It is important for us at Total Eyecare to make sure that all of our patients are being taken care of, so we are taking all necessary precautions to ensure your safety. We follow the strict guidelines of the Centers for Disease Control and Prevention (CDC) and the New Jersey Department of Health, and routinely check for any updates as it relates to keeping you and our team safe during this time.

In order to provide a safe and controlled environment we will be seeing patients by **appointment only**, which include any services you might need with our optical department.

Total Eyecare will continue to offer Telehealth services for select appointments for convenience to our patients.

We will be open our normal hours but please call our office to make an appointment. You may also visit our website to schedule online www.totalicare.com

We look forward to seeing you and as always appreciate the continued trust you have placed in us as your eye care professionals.

Sincerely,
Dr. Ripps, Dr. Audlin, Dr. Lovecchio, Dr. Patel and Staff
